Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 01 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry on Sunday with some sunny spells.

Today:
Apart from some showers in the south and east through the morning, Sunday will be a dry day. It will be quite cloudy at times, but there will be some sunny spells by the afternoon. Feeling pleasant in the sunshine. Maximum temperature 21 deg C (70 deg F).

Tonight:
The sunny spells will become more frequent through the evening, leading into a dry and mostly clear night across the country. Feeling cool with light winds. Minimum temperature 11 deg C (52 deg F).

Monday:
After a rather cloudy morning, showers will break out in the afternoon, some heavy and prolonged in light winds. However, there will be some sunny spells between the showers. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Tuesday and Wednesday will see further showers, before a spell of more persistent rain crosses the country on Thursday, accompanied by stronger winds. Rather cloudy, but some sunny intervals.
